Office Action Summary

Art Unit: 1617

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 21-26, 28-33, 35, 36 are rejected under 35 U.S.C. 102(b) as being anticipated by Lin et al.

Lin et al teach a suspension of drugs in Anhydrous Vegetable oil (abstract). Aspirin is disclosed (column 2, line 34). TBHQ is specified (column 4, lines 1-2). Amounts are disclosed (column 8, lines 20-25).

Claims 20-26, 28-33, 35, 36 are rejected.

Claim 34 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Applicant has not given a post office address anywhere in the application papers as required by 37 CFR 1.33(a), which was in effect at the time of filing of the oath or declaration. A statement over applicant's signature providing a complete post office address is required.

There are no signatures. The address for Richard Sutton is missing.
